

Dear Campbell Alumni, Friend or Citizen:

The Campbell Area Foundation was formed to identify projects in Campbell which would benefit a majority of the community. The mission statement is "To strengthen our community both now and for future generations by providing leadership and encouraging giving through donations." Enclosed you will find the Campbell Area Foundation brochure, which further outlines gift options.

The first project identified was restoration and display of the Campbell High School bell. Over the past several months, foundation members have been working to make this project a reality. The monument will be built in the Village of Campbell. The actual bricks will be purchased from Kearney Concrete. Palmer Brothers of Holdrege will complete the engraving. The school bell will be restored by Knehans Auto Body.

Foundation members felt this project of a brick monument with engraved names, should be available to the alumni, friends, and/or citizens of the Campbell community. The engraved bricks will be available for \$100/brick. Up to three lines and 15 characters per line can be engraved on each brick. A limited number of bricks will be available.

If you are interested in supporting the Campbell Area Foundation in its quest to improve Campbell, levels of giving are outline in the enclosed brochure. All donors will be recognized annually at the Campbell Alumni banquet. If you are interested in purchasing a brick for the school bell restoration project, order forms can be found at www.campbellne.com; requested from campbellareafoundation@gmail.com or 402-756-8601.

We thank you in advance for your support of Campbell!!

Sincerely,

Campbell Area Foundation

Affiliated with the Franklin County Community Foundation, Inc.
